Twelve Step life presents a spiritual pathway for understanding and growing in our relationship with ourselves. This is God and Me; the 12 Traditions are also a spiritual pathway for understanding and growing in our relationship with others. This is God and We. Our lives are enriched as we embrace the traditions which support our pursuit of healthy interaction with those around us, requiring emotional honesty grounded in love and wisdom.

Lodging is Limited! Register with 50% deposit (nonrefundable) by June 1; balance due by September 15. Cabins are first come first serve basis. Pricing is based on double occupancy \$275 each. Single occupancy is \$350.
